*Palo Alto Networks opened the door for you to earn a PCCSA, PCNSA, or PCNSE certification from the comfort of your own home. Find out more about this service in an upcoming webinar. Find answers on LIVEcommunity.*

## Palo Alto Networks Online Proctored Exams

It shouldn't surprise you that we all have a little more time on our hands these days, given the current situation with the Coronavirus (COVID-19) pandemic. Since you have a few extra hours each day, why not use that time to enhance your skill set while uplifting your career opportunities?

Let's get straight to it! Palo Alto Networks now offers Online Proctored (OP) exams for Certifications. Now you can take certification exams from your own home or office, or wherever you feel comfortable, while being monitored by an offsite proctor. This option provides more

convenience for you and will help you fast-track your Palo Alto Networks certifications.

## Earn a PCCSA, PCNSA, or PCNSE Certification Online

Now that we've released the online proctored exams experience, you now have a chance to earn a PCCSA, PCNSA, or PCNSE from home. Of course you have questions about where to sign up, how to study, exam dates, and all that sort of information. Don't fret, I got you covered.

### **Sign up now for the upcoming webinar, which takes place on: Wednesday, April 22, 2020 at 8:00AM PST, 11:00AM EST**

Don't wait to sign up! Or you could miss your chance to win a voucher to take the PCNSE exam for **free**. Let me clarify:

**50 random attendees will be selected to receive a free PCNSE Exam voucher!**

Our Global Enablement team will be reaching out to 50 lucky winners by April 27th to let them know about their lucky ways.

Here's where you can sign up
